Application Overview

Thank you for your interest in the CCAH Education Scholarship. The Scholarship Program was established by the California Council for Affordable Housing (CCAH) to promote education and expand opportunities for residents of affordable housing in California.

CCAH will award scholarships to individuals accepted into a two or four year college program or trade school. Four year college scholarship recipients will be awarded $1,000 per semester. Trade school or two year college scholarship recipients will be awarded $500 per semester.

Scholarship recipients' semester awards are contingent upon the recipient's continued qualification: CCAH property residency, 3.0 or above GPA, full time student and household income less than 60% of AMI. CCAH welcomes applications from students residing in CCAH member properties.

A Selection Committee comprised of CCAH Board Members and CCAH Staff will review the applications. The awarding of the scholarships will be based solely on the objective judgment of the Selection Committee as to which candidates demonstrate the greatest potential for utilizing the resources offered by the scholarship. CCAH prohibits the awarding of any scholarship to a relative of any member of the Selection Committee.
